Energy efficient LEDs for a brighter and greener tomorrow

LED is one of today's most energy-efficient & rapidly-developing technology. High quality LED light bulbs last longer, are more durable, and offer better light quality than other types of lighting. Being a highly efficient lighting technology, it has the potential to fundamentally change the future of lighting worldwide.

LED Bulbs use at least 75% less energy compared to conventional bulbs and last 25 times longer than incandescent lighting. The high efficiency and directional nature of LEDs makes them ideal for many industrial uses also. LEDs are increasingly becoming common in street lights, parking garage lighting, walkway modular lighting, and task lighting.

We at Artemis Electricals Strive to develop innovative lighting solutions to transform lives and communities. With consistent technology up gradation, high business ethics and new product development, we aim to meet every customer requirement while delivering on our promises to the stakeholders.

LED lighting can benefit us in a major way, for example, if every person in the U.S. replaced one convention light bulb with a LED bulb, the energy savings could light an estimated 2.5 million homes, which is equivalent to the greenhouse gas emissions of 800,000 cars.

Application: Commercial and Residential
This Product comes three variants: 12 watt, 15 watts & 18 watts.

APOLLO LED DOWNLIGHTS

Application: Commercial and Residential
This Product comes three variants:12 watt, 15 watts & 18watts.

CHAIRMAN'S COMMUNIQUE

Dear Stakeholders,

“ Together we can. Together we will

It gives me pleasure to share with you, your Company's performance for the year 2021-22.

While it has been a tough environment due to the continuing impact of the pandemic, the unprecedented commodity cost inflation and the repercussions of the Russia-Ukraine war, we have continued to maintain our focus on our transformation journey and our strategic goals.

During the previous year, we have announced that your company is coming out with the Lithium Ion project, wherein your company is focusing on the research and development as the company is trying to have a cost effective and low budget product for the user in national \and international market. Considering the first few in the new segment, we are expecting first mover advantage which will not only keep your company a persistent performer but also we are expecting good growth in the terms for revenue and profitability, also share big support to “Make in India” movement and vision of Hon'ble Prime minister

In conclusion, the Indian economy is expected to remain resilient despite the ongoing geopolitical conflict which is likely to undermine the world GDP growth. India is expected to remain one of the world's fastest growing large economies. The government's resolve towards faster infrastructure development through supportive policy reforms is expected to catalyze growth.

I would like to take the opportunity to express my deepest gratitude to our entire Artemis team, and business associates for their commitment and contribution towards the Company in the past year, without which your Company's continued growth would not have been possible. Further, I would like to thank my colleagues on the Board for their prudent counsel and our loyal shareholders for their support.

BOARD'S REPORT

To,
The Members,
Artemis Electricals and Projects Limited
(Formerly Known as Artemis Electricals Limited)

The Directors are pleased to present the 13th Annual Report and the Audited Financial Statements for the year ended 31st March 2022:-

1. FINANCIAL RESULTS

Effective from the previous financial year 2021-22, The financial statements of the Company prepared in the form of IND-AS and are in accordance with the Section 133 of the Companies Act, 2013 (the 'Act') read with Companies (Accounts) Rules, 2014 and amendments thereof. The financial highlights of the Company for the financial year ended March 31, 2022 as compared to financial year ended March 31, 2021, Further, the Company has prepared consolidated financial statement for the financial year March 31, 2022 first time, Standalone and consolidated results are summarized as follows:

Particulars	Standalone		Consolidated
	Current Year Ended 31/03/2022	Previous Year Ended 31/03/2021	Current Year Ended 31/03/2022
	(Amount in Lakhs)	(Amount in Lakhs)	(Amount in Lakhs)
Revenue from business operations	3,432.95	4,494.58	3,432.95
Other Income	0.06	22.28	0.06
Total Income	3433.01	4,516.86	3433.01
Less: - Total Expenses	4,922.91	4,466.96	4,964.34
Profit / (Loss) before exceptional items and tax	(1,489.91)	49.90	(1,531.33)
Less: - Exceptional items	-	-	-
Profit / (Loss) before Tax	(1,489.91)	49.90	(1,531.33)
Less: - Tax Expenses (Current & Deferred)	(318.82)	33.75	(329.25)
Profit (Loss) for the period	(1,171.08)	16.15	(1,202.08)
Less: - Other Comprehensive Income	16.91	0.88	16.91
Total Comprehensive Income for the period	(1,154.17)	17.03	(1,185.17)

2. STATE OF COMPANY'S AFFAIRS AND FUTURE OUTLOOK

During the year under review, Company's performance and growth are as follows: Income from Operations is Rs. 3,432.95 lakhs as compared to the previous F.Y of Rs. 4,494.58 lakhs. The Net loss of the Company is Rs. (1,154.17) Lakhs as compared to the profit previous F.Y. of Rs. 17.04 Lakhs. Further, income from operation on consolidation is Rs.3432.95 lakhs and the net Loss on consolidation is Rs.1185.17 Lakhs. The decrease in income and Net Profit is completely due to nation-wide lock-down and capital expenditure for the new segment assets. Your directors expect better performance in future years.

3. TRANSFER TO RESERVE

During the year under review, The company has suffered loss of Rs. 1,154.17 during the financial year 2021-22, thus, loss is transferred to the reserves. Further, in consolidation the loss is around 1185.17 Lakhs.

14. DECLARATION OF INDEPENDENT DIRECTOR

The Company has received declaration from all Independent Directors of the Company confirming that they meet the criteria of independence as prescribed under Section 149(6) of the Act.

15. ANNUAL PERFORMANCE EVALUATION

Pursuant to the provisions of the Companies Act, 2013, a formal annual evaluation needs to be made by the Board of its own performance and that of its committees and individual directors. Schedule IV of the Companies Act, 2013 states that the performance evaluation of the independent directors shall be done by the entire Board of Directors, excluding the director being evaluated. The Board works with the Nomination and Remuneration Committee to lay down the evaluation criteria. The Board has carried out an evaluation of its own performance, the directors individually as well as (including chairman) the evaluation of the working of its Audit Committee, Nomination and Remuneration Committee and Stakeholders' Relationship Committee of the Company.

The Board has devised questionnaire to evaluate the performances of each of Executive, Non-Executive and Independent Directors. Such questions are prepared considering the business of the Company and the expectations that the Board have from each of the Directors. The evaluation framework for assessing the performance of Directors comprises of the following key areas:

1. Attendance at the Board Meetings and Committee Meetings;
2. Quality of contribution to Board deliberations;
3. Strategic perspectives or inputs regarding future growth of Company and its performance;
4. Providing perspectives and feedback going beyond information provided by the management.

16. SEPARATE MEETINGS OF INDEPENDENT DIRECTORS

As stipulated by the Code of Independent Directors under Schedule IV of the Companies, Act, 2013, a separate meeting of the Independent Directors of the Company was held to review the performance of Non- Independent Directors, the Board as whole, including the Chairman of the Company and to discuss the matters related to the quality, quantity and timeliness of flow of information between the Company management and the Board.

17. BOARD COMMITTEES

Your Company has in place, all the Committee(s) as mandated under the provisions of the Act and Listing Regulations. Currently, there are four Committees of the Board, namely:

Name of the Director	Position in Committee	No. of Meeting attended
Ms. Richa Sharma	Chairperson	3
Mr. Krishnakumar Bangera	Member	3
Mr. Shivkumar Singh	Member	3

18. DETAILS OF POLICY DEVELOPED AND IMPLEMENTED BY THE COMPANY ON CORPORATE SOCIAL RESPONSIBILITY INITIATIVES:

Pursuant to the provisions of Section 135 of the Act and the Rules made there under, the Company had duly constituted the Corporate Social Responsibility Committee (CSR Committee) in the Company. As part of its initiatives under CSR, the Company has

identified various projects. These projects are in accordance with Schedule VII to the Act.

The details as per the provisions are annexed herewith as “**Annexure-II**”

19. DIRECTORS’ RESPONSIBILITY STATEMENT

Pursuant to Section 134 (5) of Companies Act, 2013 the Board of Directors of the Company confirms that-

- a) In the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- b) The directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;
- c) The directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- d) The directors had prepared the annual accounts on a going concern basis; and
- e) The Company being unlisted sub clause (e) of section 134(3) is not applicable.
- f) The directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

20. NOMINATION AND REMUNERATION POLICY

The Board has, on the recommendation of the Nomination & Remuneration Committee, framed a Policy for selection, appointment and remuneration of Directors and Key Managerial Personnel, including criteria for determining qualifications, positive attributes and Independence of Directors.

The said policy is available on the Company’s Website

Website Link: <https://www.artemiselectricals.com/assets/pdf/Nomination-and-Remuneration-Policy.PDF>

21. VIGIL MECHANISM/WHISTLE BLOWER POLICY

In accordance with Section 177 of the Companies Act, 2013, the Company has adopted a Vigil mechanism / Whistle Blower Policy to deal with instance of fraud and

mismanagement, if any.

The Company had established a mechanism for directors and employees to report concerns about unethical behavior, actual or suspected fraud, or violation of our Code of Conduct and Ethics. The mechanism also provides for adequate safeguards against victimization of directors and employees who avail of the mechanism and also provide for direct access to the Chairman of the Audit Committee in the exceptional cases.

We affirm that during the financial year 2021-22, no employee or director was denied access to the Audit Committee.

The Vigil mechanism / Whistle Blower Policy is available on the website of the Company at <https://www.artemiselectricals.com/assets/pdf/Whistle-Blower-Policy.pdf>.

22. RISK MANAGEMENT POLICY

The Company has laid down a well-defined Risk Management Policy to identify the risk, analyse and to undertake risk mitigation actions. The Board of Directors regularly undertakes the detailed exercise for identification and steps to control them through a well-defined procedure. The Board periodically reviews the risks and suggests steps to be taken to control and mitigate the same through properly defined framework.

23. DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS IMPACTING THE GOING CONCERN STATUS AND COMPANY'S OPERATIONS IN FUTURE

There was no significant or material order passed by any regulator or court or tribunal, which impacts the going concern status of the Company or will have bearing on company's operations in future.

Banks			
Federal Bank	0-90 days	76,52,496	41,48,482

Board's Reply: The Company has paid the aforesaid interest, the delay was due to national wide lockdown.

Disclaimer of Opinion in Annexure B to the Independent Auditors' Report: The information and explanations provided by the management on system of Internal Financial Controls over financial reporting were not complete to enable us to determine if the Company has established adequate Internal Financial Controls over financial reporting and whether such Internal Financial Controls were operating effectively as at 31 March 2022.

Board's Reply: The Company has made adequate Internal Financial Control, as the ERP system was crashed, thus, some of the areas of IFC not been adequately reported.

26. REPORTING OF FRAUD BY AUDITORS

There is no qualification, reservation, adverse remark or disclaimer given by the Auditor in their Report except following remarks mentioned in sub-para's mentioned below of paragraph 1 under ('Report on Other Legal and Regulatory Requirements' section of Auditor report)

27. INTERNAL AUDITOR

For the financial year 2021-22, the Company in the Board Meeting appointed **Mr. Sharad Rustagi, Chartered Accountants**, as an Internal Auditors of the Company for the financial year 2021-22 and the report of Internal Auditor issued and the same has been reviewed by audit and Board.

28. SECRETARIALAUDIT

The Board had appointed **CS Aakruti Somani, Practicing Company Secretaries** (Membership No.54612 and COP No. 20395) as Secretarial Auditor to conduct the Secretarial Audit of the Company for the financial year ended March 31, 2022. As per the provisions of Section 204 of the Act read Rules framed there under. The Secretarial Audit Report in **Form MR-3 is given as Annexure III** and forms part of this Report. The Secretarial Audit Report does not contain any qualification, reservation, adverse remark or disclaimer except penalty and additional fees paid for delay in compliance except following

there are instance SEBI penalty as per Non-compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and MCA additional fees was paid by the Company due to delayed compliance, however the compliance of the same has been completed.

Board Reply:- The delay is happened majorly due to unavoidable circumstance including nationwide lockdown and technical issues.

Pursuant to the provisions of Regulation 24A of the SEBI Listing Regulations read with SEBI Circulars issued in this regard, the Company has undertaken an audit for the financial year 2020-21 for all applicable compliances as per SEBI Regulations and Circulars/Guidelines issued thereunder. The Annual Secretarial Compliance Report duly signed by CS Aakruti Somani, Practicing Company Secretaries (Membership No. 54612 and COP No. 20395) has been submitted to the Stock Exchange.

29. COST AUDITOR

The Cost Audit is not applicable to the Company.

30. DISCLOSURE ON MAINTENANCE OF COST RECORDS

Pursuant to the Rules made by the Central Government of India, the Company is required to Maintain cost records as specified under section 148(1) of the Act in respect of its products and the Company has Complied with this Provisions.

31. LOANS, GUARANTEES AND INVESTMENTS

There are no loans granted, guarantees given and investments made by the Company under Section 186 of the Companies Act, 2013 read with rules framed thereunder except as stated

under Note 5 & 8 to the financial statement.

32. RELATED PARTY TRANSACTIONS

In line with the requirements of the Act and SEBI Listing Regulations, the Company has formulated a Policy on Materiality of Related Party Transactions which is also available on the Company's website at www.artemiselectricals.com. The Policy intends to ensure that proper reporting, approval and disclosure processes are in place for all transactions between the Company and its Related Parties. All related party transactions are placed before the Audit Committee for review and approval.

Pursuant to the provisions of the Act and SEBI Listing Regulations with respect to omnibus approval, prior omnibus approval is obtained for related party transactions on a yearly basis for transactions which are of repetitive nature and entered in the ordinary course of business and are at arm's length. Transactions entered into pursuant to omnibus approval are verified by the Finance Department and a statement giving details of all related party transactions are placed before the Audit Committee and the Board for review and approval on a quarterly basis.

All transactions entered with related parties for the year under review were in ordinary course of business and at arm's length basis except the Material related party transactions, i.e. transactions exceeding 10% of the annual turnover as per the last audited financial statement, were entered during the year by the Company. Accordingly, the disclosure of related party transactions as required under Section 134(3)(h) of the Act, in Form AOC-2, annexed as **Annexure-IV**. Further, there are no material related party transactions during the year under review with the Promoters, Directors or Key Managerial Personnel, which may have a potential conflict with the interest of the Company at large. All related party transactions are mentioned in the notes to the accounts. The Directors draw attention of the members to Note No. 38 to the standalone financial statements which sets out related party disclosure.

Pursuant to the provisions of Regulation 34(3) and 53(f) read with clause 2 of Part A of Schedule V of the SEBI Listing Regulations is not applicable and During the year under review, no person(s) or entity(ies) belonging to the promoter/promoter group which held 10% or more share in the paid-up equity share capital of the Company.

Annexure-III

FORM NO. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2022
[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
Artemis Electricals and Projects Limited
(Formerly Known as "Artemis Electricals Limited")
ARTEMIS ELECTRICALS AND PROJECTS LIMITED (CIN: L51505MH2009PLC196683)
ARTEMIS COMPLEX, GALA NO. 105 & 108, NATIONAL EXPRESS HIGHWAY, VASAI
(EAST), THANE (MH) - 401208

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Artemis Electricals and Projects Limited (Formerly Known as "Artemis Electricals Limited")** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, We hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended on March 31, 2022 (Audit Period) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made here in after:

I have examined books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2022 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

- c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; *(not applicable to the company during the audit period)*
- e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; *(not applicable to the company during the audit period)*
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
(Not applicable to the company during the audit period)
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; *(Which is not applicable to the company during the audit period)*
- (vi) Other specific business/industry related laws that are applicable to the company:-
 - Competition Act, 2002
 - The Consumer Protection Act, 1986
 - The Sale of Goods Act, 1930
 - The Legal Metrology Act, 2009 (“Legal Metrology Act”)

I have also examined compliance with the applicable clauses of the following:

Secretarial Standards issued by The Institute of Company Secretaries of India notified with effect from July 1, 2015.

I further report that I have not reviewed the applicable financial laws (direct and in direct tax laws) since the same have been subject to review and audit by the Statutory Auditors of the Company.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except *in some of the instance SEBI penalty as per Non-compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and additional fees was paid by the Company due to delayed compliances.*

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, and Independent Directors. The changes in the composition of Board of Directors that took place during the period under review were carried out in compliance with the provision of the Act.

Adequate notice is given to all the directors to schedule the Board meeting, agenda and detailed notes on agenda were sent at least seven days in advance except in few cases where the notice was not given before seven days as meetings were convened on shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations, guidelines and Standards.

I further report that during the audit period the following events/actions have taken place which have a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc., like-

(i) Change the Name of the Company:

- The shareholders passed a special resolution for change its name from Artemis Electricals Limited to Artemis Electricals and Projects Limited and same was approved by the Registered of Company and Bombay Stock Exchange.

(ii) Alter the Objects of the Company:

- The shareholders passed a special resolution for change its objects close to enter into new business by the company.

(iii) Acquisition of Entity through acquiring Shares

- The shareholder passed a special resolution for Acquisition / investment of 100% equity shareholding of Artemis Opto Electronic Technologies Private Limited.
- The Partial Acquisition completed; transfer in Demat account of the Company was completed during the FY 2021-22.

(iv) Issuance of Issue of Optionally Convertible Debenture - Series I & Series II at Face Value of Rs.100 each

- allotment was made during FY 2021-22
 - ❖ 30.07.2021- Rs.3.00 crore
 - ❖ 04.08.2021 Rs.2.00 Crore
 - ❖ 09.08.2021-Rs.3.00 Crore
 - ❖ 12.08.2021- Rs.3.00 Crore
 - ❖ 02.09.2021-Rs.2.00 crore
 - ❖ 29.12.2021- Rs.4.50 crore

MANAGEMENT DISCUSSION & ANALYSIS

Global Economic Overview

After witnessing significant contraction owing to the COVID-19 pandemic in 2020, the global economy recovered to a certain extent in 2021. However, the momentum was suddenly halted in Q2 by a deadlier variant of the virus, the impact of which was fortunately short lived. The subsequent recovery was supported by vaccination drives being conducted by governments worldwide, despite repeated attacks of virus mutants in several countries of the world.

Towards the end of Q4 FY 2021-22, geopolitical tensions arising from a prolonged Russia-Ukraine conflict further increased downside risks to global growth by disrupting supply chains. Prices of crude, crude derivatives and other commodity prices have since surged significantly, thereby worsening the already high inflation dynamics of both advanced as well as emerging/developing economies. Inflation has touched multi-decadal highs in the US and many other advanced countries, accelerating policy tightening measures by Central Banks. Economies are now focusing on stabilising the inflation trajectory, without hurting growth prospects.

Indian Economic Overview

Against the backdrop of pandemic-induced headwinds and geopolitical conflicts in Europe, India remained relatively resilient. The economic recovery was supported by fiscal and monetary measures of the Government of India and the Reserve Bank (RBI), respectively. It grew by 8.7% in FY 2021-22. The country's merchandise exports performance remained buoyant growing by 14.53% and crossing the \$400 billion mark in FY 2021-22.

However, imports growth too remained strong at 55% during the year. The country's formidable consumption engine came back to life as the economy gradually gained momentum and mobility restrictions were lifted. However, two factors have slowed the overall economy in the latter half of FY 2021-22: firstly, inflationary pressures have affected demand and sentiment; secondly, the rural economy and consumption trends and have been slow compared to FY 2020-21 when the rural economy was relatively strong and less impacted vs. the urban economy.

The government's renewed focus on creating new infrastructure and upgrading legacy assets will also act as a positive tailwind for the economy, going forward. With over 35% y-o-y increase in capital expenditure and a proposed infrastructure spend of over Rs. 10 lakhs crore in the Union Budget 2022-23, the government has reinforced its commitment to using infrastructure as a force multiplier for sustained economic growth.

Overview of LED Lighting Industry

India is the second most populous country in the world and yet, is only the fifth largest electricity consumer—a situation that has led to a never-widening demand-supply gap.

The consumer lighting industry is growing rapidly due to increasing access to electricity across the country. LED lighting is gaining popularity and it constitutes a significant proportion of the consumer lighting industry in India. The affordable pricing of LED lights and preference for energy-efficient lighting continues to drive the demand for LED lights. The market for LED grew 130 folds, from 5 million bulbs per year to 670million bulbs between 2014 and 2018, as prices dropped from H 400 to H 70 over the same period⁶. The phenomenal growth of LED lights has been driven by demand for energy efficient lighting, efforts to reduce carbon dioxide emissions and increasing access to electricity in low-income households.

Besides, the government's UJALA and SLNP scheme continues to increase the preference for energy-saving lights

Furthermore, the ~H 1,200 crore Product Linked Incentive scheme for manufacturing LED lights is expected to attract investments to the consumer lighting industry. Looking ahead, the industry is projected to show good growth over the next few years. However, given the dynamic nature of this industry, competitive pressures are likely to weigh heavily on industry players and it may lead to rapid price erosions in some segments.

Overview of Lithium-Ion Industry

The global lithium-ion battery market size was valued at USD 41.97 billion in 2021 and is expected to expand at a compound annual growth rate (CAGR) of 18.1% from 2022 to 2030. The automobile sector is expected to witness significant growth owing to the rising adoption of electric vehicles. The worldwide registration of electric vehicles is anticipated to increase significantly over the forecast period. The Indian market emerged as the good potential. Increasing sales of electric vehicles in the India owing to supportive policies, coupled with the presence of market players in the country, are expected to drive the demand for lithium-ion batteries in the India over the forecast period.

Key factors driving the lithium-ion battery market growth include the subsequent increase in the registration of EVs and simultaneously, a decrease in Li-ion battery price is estimated to expand market size over the forecast period.

Company Overview

The Company was incorporated on 26th of October, 2009 as "Artemis Electricals Private Limited" under the provision of Companies Act, 1956 with registrar of Companies bearing Reg no 196683. We subsequently changed the name of our Company from "Artemis Electricals Private Limited" to "Artemis Electricals Limited" pursuant to shareholders resolutions passed at the Extra Ordinary General Meeting held on 25th July, 2015.

Further, subsequently Company changed his name from Artemis Electricals Limited to Artemis Electricals and Projects Limited at the Extra Ordinary General Meeting held on 25th June, 2022 by way of passing Postal Ballot under Section 110 of the Companies Act, 2013.

The company is Promoted by Mr. Pravin Kumar Agarwal and Corporate Promoter M/s Yashvikram Infrastructure Private Limited. Our Promoter Mr. Pravin Agarwal has experience of working within the company since more than a decade. Prior to starting the business of LED Luminaries manufacturing Mr. Pravin Kumar Agarwal was engaged in manufacturing of other engineering products, and related Industries.

Our Company since incorporation is into the business of manufacturing and trading of Light Emitting Diode “LED” lighting and LED lighting accessories. We are dependent on third party for manufacturing of LED bulbs. Our company manufactures and trades in broadly indoor and outdoor LED luminaries such as, home lighting, office lighting, garden / compound lighting, Solar Powered Home LED lighting systems and LED based street lights, pavement / walk through indication lights, etc. The application of our products is in spaces like general lighting, architectural, residential, commercial, industrial, shop, hospitality, and outdoor.

Our Product basket consists of solutions across the LED luminary spectrum i.e. LED emitter to LED driver & LED luminaries including Solar Powered Home LED lighting systems and LED based Street Lights. Our LED drivers are manufactured in our facility located in Vasai, Maharashtra, mainly using SMD components by an automatic pick-n-place machine. Our company has various accreditations such as ISO 9001:2015, ISO 14001:2015 & OHSAS 18001:2007 certified company, member of LACMA (LUMINAIRES ACCESSORIES COMPONENTS MANUFACTURERS ASSOCIATION) vide membership no.2238, etc.

The company is currently dealing in a variety of products which include LED Panel Lights, LED Street Lights, Solar LED Street Lights, LED Down Lights, LED Surface Down Lights, Pendant Down lights, LED Spot Lights, LED Batten Lights, LED Architectural Lights, LED Focus Lights, LED Bulbs. In addition to this, our company also offers critical electronic components such as LED Driver and electronic ballasts. The company is continuously working towards innovation in new areas of lighting coupled with solar energy. The Company already manufactures and trades in solar charge controllers, Solar powered LED Batten Lights, Solar powered LED down Lights, Solar powered LED Street Lights, Solar powered LED Bulbs, Solar powered Fans, Solar powered LED Lanterns etc. R & D is one of the most important area for Artemis that keeps it ahead of any competition. Artemis has a Team of dedicated Engineers driving the consistent High-speed innovation program.

Further, the Company is in the process of installation of Lithium-Ion cell in its own unit located at India. Process related to procurement of machinery, hiring of different agencies are already being made and several technical assistance is taken by overseas technology partner. Further, the Company has approached prestigious institutions in India for the Techno Economic Feasibility and viability Report, the detailed discussion with the carrying out to achieve the targeted result by the R&D team of the Company.

Risks and Risks Mitigation Strategy of Artemis

Competition Risk:

Due to the growth prospects and government support in the industry, the company is exposed

to intensive competition. More and more players are entering the market due to low entry barrier.

Mitigation Strategy:

Company will consistently focus on innovation and development of products having cutting-edge technology and will manufacture such products through its robust, automated and state of art facility for quality output. This will help to control costs thereby making the product pricing competitive and will have the first mover advantage against the competition.

Product Risk:

Risk on losing out to competition is very high if company is not indulged in regular R&D.

Mitigation:

Artemis has an excellent R&D team in place. They have already proved their worth in the past and will continue to do so. The management is well aware of such risks and therefore continues to always support and encourage the R&D team. The company has also shortlisted a few niche lightings markets which can be tapped in near future due to successful results of the R&D team.

Operational Risk:

The company has to ensure high operational efficiencies and at the same time has to limit its operational costs. A sudden increase in cost of material will directly impact the margins. The company also has the risk of compromising on the quality to limit the costs.

Mitigation:

The company has an excellent manufacturing infrastructure with the most optimized manufacturing costs in the industry. The company also has a vigil internal department to continuously monitor price movement of all raw materials and have developed mechanisms such as optimal inventory control, quarterly price reviews, long term tie ups with vendors, etc. to ensure that any sudden cost rise of raw materials can be effectively cushioned by not letting it effect the company in short & medium term. The company has a philosophy of never to compromise in quality.

Regulatory Risk:

Changes in government regulations or their implementation could disrupt our operations and adversely affect our business and results of operations. If we fail to comply with all applicable regulations or if the regulations governing our business or their implementation change adversely, we may incur increased costs or be subject to penalties.

Mitigation:

Company keeps a keen eye on significant developments in India's economic policies and industry related regulatory changes. The company's view is that no government will in the

foreseeable future bring in or create regulatory hurdles for LED lighting solution companies or similar companies due to their nature of providing green energy solutions. Anyhow the company follows sound and prompt regulatory compliances to ensure seamless operations.

Geographical Risk:

Region specific unfavourable events and country specific unfavorable events may affect the company's ability to sell products in the affected regions for prolonged period.

Mitigation:

The company's revenue distribution is well diversified all over the regions in India. Also, majority of our business is driven through supplies to OEM partners viz. Bajaj. The company has also ventured out to market its own brand for which the strategy is to promote Products through stockiest, distributors & retailers' chains. This has been successfully piloted in 5 states across 62 distributors. Further then this the company is also actively pursuing to enter export markets which will further mitigate our dependency on a single country for business.

Cash & Cash Equivalents (D=A+B+C)	(50.85)	0.19	0.11
Cash and Cash Equivalents at the beginning (E)	52.9	2.05	2.24
Cash and Cash Equivalents at the end (F=D+E)	2.05	2.24	2.35

Analysis:

1. The aforesaid detailed financial analysis signifies that the company is following cost cutting strategies as it has successfully cut down many of its direct & indirect expenses like salary & reducing various overheads by putting more focus on automation of their manufacturing process by investing in fixed assets visa a vis compared to the financial year 2020-21.
2. The Company has substantially increased the amount of debt in their capital structure. Hence the cost of capital for the company also substantially increase;
3. Due to the Covid-19 and lockdown implementation the company and burden of interest of debentures the company has reported loss.

Future Outlook

We believe that with our top quality of products and consistent quality assurance, we always get appreciation and praise by our clients and customers due to which we have always seen excellent growth in demand.

1. Export Business Plan: Expand the product line and extensive research in the Lithium-Ion Battery segment
2. Capex plans for this financial year under Phase I of setting up of a state-of-the-art manufacturing facility to manufacture Lithium-Ion batteries and other allied products.

Cautionary Statement

Statements in this report describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable laws and regulations. The actual results may differ materially from those expressed in this statement because of many factors like economic condition, availability of labor, price conditions, domestic and international market, changes in Government policies, tax regime, etc. The Company assumes no responsibility to publicly amend, modify or revise any statement on basis of any development, information and event.

Annexure VII

REPORT ON CORPORATE GOVERNANCE

The Directors present the Company's Report on Corporate Governance for the year ended March 31, 2022, in terms of Regulation 34 (3) read with Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations")

Corporate Governance is a process to manage the business affairs of the Company towards enhancing business prosperity and accountability with the objective of realizing long term shareholder value. Corporate Governance is all about ethical conduct, openness, integrity and accountability of an enterprise. Corporate Governance enjoys a commitment of the Company to run the business in legal, ethical and transparent manner emanating from the top and per meeting throughout the organization. It involves set of relationships between the Company's Management, its Board, Shareholders and Stakeholders. It is one of the key elements in improving the economic efficiency of the enterprise. Credibility generated by sound Corporate Governance enables an enterprise in enhancing the confidence of the investors and in establishing productive and lasting business relationship with all stakeholders.

The Equity Shares of the Company are listed and admitted to dealings in BSE Limited, Bombay Stock Exchange of India.

(1) Company's Philosophy on Corporate Governance

The ethical values are the foundation of Company's governance philosophy which over the past one decade of the Company's existence has become a part of its culture. We feel proud to belong to a Company whose visionary founders laid the foundation stone for good governance long back and made it an integral principle of the business. We strongly believe that in business, there is something more important than just top line and bottom line and hence, each of us needs to strive towards producing our very best in all we do, so that, we not only fulfill the needs of each and every consumer, but also far exceed their expectations. This is what has set us apart and this may be the very reason that we have been able to enjoy a very special relationship with our consumers. After all, when you strive, with every sinew to be the best you can be, it will show.

Corporate Governance is about commitment to values and ethical business conduct. Our actions are governed by our values and principles, which are reinforced at all levels within the Company. We are committed to doing things the right way which means taking business decisions and acting in a way that is ethical and is in compliance with applicable legislation.

The Company emphasizes on the need for complete transparency and accountability in all its dealings to protect stakeholders' interests. The governance framework encourages the efficient utilization of resources and accountability for stewardship. The Board considers itself as the custodian of trust and acknowledges its responsibilities towards stakeholders for wealth creation sustainably and responsibly.

In India, Corporate Governance standards for listed companies are regulated by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. Your Company is in compliance with the requirements of Corporate Governance stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). The Company has adopted best practices mandated in SEBI (LODR) Regulations, 2015.

Company is in compliance with their requirements of Corporate Governance stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). The Company has adopted best practices mandated in SEBI (LODR) Regulations, 2015.

Governance Structure:

The Corporate Governance structure of the Company is as follows:

Board of Directors: The Board is entrusted with an ultimate responsibility of the management, directions and performance of the Company. As its primary role is fiduciary in nature, the Board provides leadership, strategic guidance, objective and independent view to the Company's management while discharging its responsibilities, thus ensuring that the management adheres to ethics, transparency and disclosures.

Committees of the Board:

The Board has constituted the following Committees viz, **Audit Committee, Nomination and Remuneration Committee, Corporate Social Responsibility Committee, Stakeholders' Relationship Committee**. Each of the aforesaid Committee has been mandated to operate within a given frame work.

Chairman:

The primary role of the Chairman is to provide leadership to the Board in achieving goals of the Company. He is responsible, inter-alia, for the working of the Board and for ensuring that all relevant issues are placed before the Board and that all Directors are encouraged to provide their expert guidance on the relevant issues raised in the meetings of the Board.

Executive Director:

The Executive Director, as a member of the Board, contributes to the strategic management of the Company's businesses within Board approved direction and framework. He assumes overall responsibility for strategic management of business and corporate functions including its governance processes and top management effectiveness.

Non-Executive Directors including Independent Directors:

Non-Executive Directors play a critical role in balancing the functioning of the Board by providing independent judgments on various issues raised in the Board meetings like formulation of business strategies, monitoring of performances, etc.

(2) Board of Directors

The Company is fully compliant with the Corporate Governance norms in respect of constitution of the Board of Directors. The Company's Board comprises people of eminence and repute who bring the required skills, competence and expertise that allow them to make effective contribution to the Board and its Committees.

The Board takes care of the business and stakeholders' interest. The Non-Executive Directors, including the Independent Directors are well qualified, experienced and renowned persons from the fields of industrial, manufacturing, general corporate management, finance, law, media, corporate strategy, technical, marketing and other allied background. 9. Recommend a policy, relating to the remuneration for the directors, key managerial personnel and other employees.
10. While formulating the policy it shall ensure that –
 - The level and composition of remuneration is reasonable and sufficient to attract ,retain and motivate directors of the quality required to run the company successfully;
 - Relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
 - Remuneration to directors, key managerial personnel and senior management balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals:

Remuneration Policy

The Board on the recommendation of Nomination and Remuneration Committee has framed a

Nomination and Remuneration Policy (“Policy”), providing a) Selection, appointment and removal; b) Remuneration; c) Evaluation of performance; and d) Board diversity. The Policy is directed towards rewarding performance, based on review of achievements. It is aimed at attracting and retaining high caliber talent. The Policy is displayed on the Company’s website: www.artemiselectricals.com.

Performance Evaluation criteria for Independent Directors

The Nomination and Remuneration Policy of the Company showcase the appointment criteria and remuneration payable to the Directors of the Company. The Remuneration paid to the Directors is broadly based on the criteria such as his/her qualification, profile and his performance.

The Board of Directors is committed to continued improvement in its effectiveness. Accordingly, the Board, its Committees and each Director continue to contribute effectively.

As per Section 134(3)(p) of the Act, a statement indicating the manner in which formal annual evaluation was made by the Board of their performance and that of its Committees and individual Directors, has to be furnished to the Members as part of the Board’s Report. Further, the Independent Directors as part of their mandate under Schedule IV of the Act need to make an evaluation of performance of the constituents of the Board apart from their self-evaluation. Under this process, a structured questionnaire was prepared after taking into consideration inputs received from the Directors, setting out parameters of evaluation; the questionnaire for evaluation are to be filled in, consolidated and discussed with the Chairman.

The criteria for evaluation of performance of Directors, the Board as a whole and the Board's Committee, are summarized in the table given below:

Evaluation of	Evaluation by	Criteria

CERTIFICATE OF CORPORATE GOVERNANCE

To,
The Members of,
Artemis Electricals and Projects Limited
(Formerly Known as "Artemis Electricals Limited")

I have examined the compliance of Corporate Governance by Artemis Electricals Limited for the year ended 31st March 2022, as stipulated in Regulation 17 to 27 clauses (b) to (i) of Regulation 46 (2) and Schedule V of SEBI Listing Regulations.

The compliance of conditions of Corporate Governance is the responsibility of the Company's Management. My examination has been limited to a review of the procedures and implementations thereof, adopted by the Company for ensuring the Compliance with the conditions of Corporate Governance as stipulated in the said Regulations. It is neither an audit nor an expression of Corporate Governance as stipulated in the above-mentioned Listing Agreement / SEBI Listing Regulations, as applicable.

In my opinion and to the best of our information and according to the explanation given to me and based on the representations made by the Management, *except some delay in the filing of forms and information to stock changes*, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreement/SEBI Listing Regulations, as applicable. I further state that such compliance is neither an assurance to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the company.

CHIEF FINANCIAL OFFICER (CFO) CERTIFICATION

To,
The Board of Directors,
Artemis Electricals and Projects Limited
(Formerly Known as Artemis Electricals Limited)

Dear Members of the Board,

I, Shiv Kumar Singh, Chief Financial Officer of Artemis Electricals and Projects Limited (Formerly Known as Artemis Electricals Limited), to the best of our knowledge and belief, certify that:

1. We have reviewed the Balance Sheet as at March 31, 2022, Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information of the Company, and the Board's report for the year ended March 31, 2022.
2. These statements do not contain any materially untrue statement or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report.
3. The financial statements, and other financial information included in this report, present in all material respects a true and fair view of the Company's affairs, the financial condition, results of operations and cash flows of the Company as at, and for, the periods presented in this report, and are in compliance with the existing accounting standards and/or applicable laws and regulations.
4. There are no transactions entered into by the Company during the year that are fraudulent, illegal or violate the Company's Code of Conduct and Ethics, except as disclosed to the Company's auditors and the Company's audit committee of the Board of Directors.
5. We are responsible for establishing and maintaining disclosure controls and procedures and internal controls over financial reporting for the Company, and we have:
 - a) Designed such disclosure controls and procedures or caused such disclosure controls and procedures to be designed under our supervision to ensure that material information relating to the Company, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared.
 - b) Designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with Indian Accounting Standards (Ind AS).
 - c) Evaluated the effectiveness of the Company's disclosure, controls and procedures.

- d) Disclosed in this report, changes, if any, in the Company's internal control over financial reporting that occurred during the Company's most recent fiscal year that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.
6. We have disclosed, based on our most recent evaluation of the Company's internal control over financial reporting, wherever applicable, to the Company's auditors and the audit committee of the Company's Board (and persons performing the equivalent functions):
- a) Any deficiencies in the design or operation of internal controls, that could adversely affect the Company's ability to record, process, summarise and report financial data, and have confirmed that there have been no material weaknesses in internal controls over financial reporting including any corrective actions with regard to deficiencies.
 - b) Any significant changes in internal controls during the year covered by this report.
 - c) All significant changes in accounting policies during the year, if any, and the same have been disclosed in the notes to the financial statements.
 - d) Any instances of significant fraud of which we are aware, that involve the Management or other employees who have a significant role in the Company's internal control system.
7. I affirm that I have not denied any personnel access to the audit committee of the Company (in respect of matters involving alleged misconduct) and we have provided protection to whistle blowers from unfair termination and other unfair or prejudicial employment practices.
8. We further declare that all Board members and senior management personnel have affirmed compliance with the Code of Conduct and Ethics for the year covered by this report.

**For Artemis Electricals and Projects Limited

SHIV KUMAR SINGH
Whole time Director and Chief financial Officer

Independent Auditor's Report to the Members of Artemis Electricals and Projects Limited (Formerly known as Artemis Electricals Limited)

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Artemis Electricals and Projects Limited** (Formerly known as Artemis Electricals Limited) ('the Company'), which comprise the Balance Sheet as at 31 March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, and its loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

- a) We draw attention to note - 46 to the standalone financial statements, regarding the management's assessment of the Impact of COVID-19 on its business including but not limited to liquidity and going concern assumptions, recoverable values of its financial and non-financial assets and its increased efforts for their recovery and impact on revenues and costs for the year ended 31 March 2022 and based on its internal and external sources of information, sensitivity analysis of the assumptions used and its current estimates, the company expectation to recover its carrying amount of the aforesaid assets. Further we draw attention to the fact that during the year ended 31 March 2022, manufacturing activity at the factory premises of the Company were closed but other existing projects were going on.
- b) Attention is drawn to the fact that we have not participated in physical verification of inventories of raw material, finished goods, work in progress goods and stock in trade. We have relied on physical verification certificate issued by management as well as certificate of the valuation of finished goods and work in progress for both the years included in the standalone financial statements.
- c) We draw attention to note - 41 to the standalone financial statements, disclosure under Ind AS 108 - 'Operating Segments' could not be provided as sufficient information relating to the

same was not available with the management. Further the Company conducts its business in only one Geographical Segment, viz., India.

- d) Attention is drawn to the fact that the Company has communicated to the suppliers related to categorisation of MSME parties, on the basis of the information available with the Company, the Company has classified outstanding dues of Micro and Small enterprise and outstanding dues of creditors other than Micro and Small Enterprises. Further the Company has not provided the interest on the same as reconciliation and settlement was pending with the parties. Adjustments required upon such reconciliation and confirmation, if any, are not ascertainable and hence interest has not been provided for.
- e) Attention is drawn to the note 4.1 to the standalone financial statements, The Company has entered into a contract for supply and commissioning a Lithium-ion battery plant at its factory situated at Artemis Complex, Gala no. 105 & 108, National Express Highway, Vasai (East), Thane - 401 208 with its related party "Electroforce (India) Private Limited ("EIPL)". Approval for such transaction has already been obtained from the shareholders of the Company in its annual general meeting held on 24 September 2021. The company has already made some adhoc payments against contract to EIPL as on 31 March 2022 which is reflecting in Capital work in progress and Other non-current assets as Capital advances.

The management envisages commissioning of the lithium-ion plant by March 2023.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter	How our audit addressed the key audit matter
Revenue recognition as per Ind AS 115		
1	<p>Revenue is recognized at an amount that reflects the consideration to which the Company expects to be entitled in exchange for transferring goods to a customer. The revenue recognition occurs at a point in time when the control of the goods is transferred to the customer.</p> <p>We focused on this area as a key audit matter due to the amount of Revenue being regarded by Management as a key performance indicator in assessing performance. We believe there exists a risk of revenue being recognized before the control is transferred, including risk of incorrect timing of estimation related to recording the discounts and rebates.</p> <p>Refer Note 23 to the standalone financial statements.</p>	<p>As part of our audit procedures, we:</p> <ul style="list-style-type: none"> • Read the Company's accounting policy for revenue recognition and assessed compliance with the requirements of Ind AS 115. • Evaluated the design, tested the implementation and operating effectiveness of the Company's internal controls including general IT controls and key IT application controls over recognition of revenue and measurement of rebates, discounts and returns. • On a sample basis, tested supporting documentation for sales transactions and rebates/discounts recorded during the year which included sales invoices, customer contracts, shipping documents and customer correspondences for

		<p>rebates/discounts.</p> <ul style="list-style-type: none"> • Tested revenue samples focused on sales recorded immediately before the year-end, obtained evidence as regards timing of revenue recognition, based on terms and conditions of sales contracts and delivery documents. • Compared current year sales, discounts and rebates with historical trends. • Assessed disclosures in financial statements in respect of revenue, as specified in Ind AS 115.
--	--	---

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements, consolidated financial statements and our auditors' report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Company's annual report, if, we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the

adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable;
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including other comprehensive income), the Standalone Statement of Changes on Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act;
 - (e) On the basis of the written representations received from the directors as on 31 March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2022 from being appointed as a director in terms of Section 164(2) of the Act; and
 - (f) With respect to the adequacy of the internal financial controls with reference to the standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Company has disclosed the impact of pending litigations as at 31 March 2022 on its financial position in its standalone financial statements - Refer note 32 to the standalone financial statements.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d. (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - (ii) The management has represented that, to the best of its knowledge and belief, no

funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (d) (i) and (d) (ii) contain any material misstatement.

e. The Company has not declared or paid any dividend during the year.

4. With respect to the matter to be included in the Auditors’ Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Annexure A to the Independent Auditors' Report on the standalone financial statements of Artemis Electricals and Projects Limited (Formerly known as Artemis Electricals Limited) for the year ended 31 March 2022

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- 1a A. *The company has not updated its records showing quantitative details and situation of the fixed assets.*
- B. The Company does not own any intangible assets. Accordingly, clause 3(i)(a)(B) of the Order is not applicable to the Company.
- 1b According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- 1c According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee and other than self-constructed immovable property) as disclosed in Note 4 to the standalone financial statements are held in the name of the Company.
- 1d According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right-of-use assets) or intangible assets or both during the year.
- 1e According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- 2a The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
- 2b According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been not sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company.
- 3 According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided any guarantee or security or granted loan, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. The Company has granted advances in the nature of loans to eight parties during the year, details of the advances in the nature of loans is stated in sub-clause (a) below:

- (a) A. Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has granted not advances in the nature of loans to any subsidiaries during the year.
- B. Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has granted advances in the nature of loans to eight parties other than subsidiaries, associates or joint ventures as below:

Particulars	Amount (₹ in lakhs)
Aggregate amount granted / provided during the year - Others	77.84
Balance outstanding as at balance sheet date - Others	728.38

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the terms and conditions of the advances in the nature of loans given are, prima facie, not prejudicial to the interest of the Company.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of advances in the nature of loans given, we are unable to make any specific comment on the regularity of repayment of principal & payment of interest as there is no agreement or arrangement for such advances in the nature of loans.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, we are unable to make specific comment on the status of overdue amounts in respect of advances in the nature of loans as there is no agreement or arrangement for such advances in the nature of loans.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, we are unable to make specific comment on the due, renewal and extension of advances in the nature of loan as there is no agreement or arrangement for such advances in the nature of loans.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has given advances in the nature of loans without specifying any terms or period of repayment as below:

Particulars	All Parties	Promoters	Related Parties
Aggregate Amount of Advances in Nature of Loans			
Repayable on Demand (A)	-	-	-
Agreement does not specify any Terms or Period of Repayment (B)	728.38	-	116.95
Total (A+B)	728.38	-	116.95
Percentage of Loans / Advances in Nature of Loans to the Total Loans	100%	-	100%

- 4 According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has not provided any guarantee or security as specified under Sections 185 and 186 of the Act. In respect of the investments made and loans given by the Company, in our opinion the provisions of Sections 185 and 186 of the Act have been complied with.
- 5 The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable to the Company.

6 According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Companies Act, 2013 for the products manufactured by it (and/or services provided by it). Accordingly, clause 3(vi) of the Order is not applicable to the Company.

7a The Company does not have liability in respect of Sales tax, Service tax, Duty of excise and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax ('GST'), Income-tax, Duty of Customs, Cess, Provident fund, Employees' State Insurance and other material statutory dues have generally been regularly deposited with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of GST, Income-tax, Duty of Customs, Cess and other material statutory dues were in arrears as at 31 March 2022 for a period of more than six months from the date they became payable *except in respect of Tax Deducted at Source of ₹ 170.96 Lakhs and income tax of ₹ 194.52 Lakhs.*

7b According to the information and explanations given to us, there are no dues of income tax, sales tax, value added tax, service tax, goods and service tax, duty of customs, duty of excise which have not been deposited with the appropriate authorities on account of any dispute.

8 According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year.

9a According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans or borrowings or in the payment of interest to any lender during the year except as stated below:

Particulars	Period	Principal	Interest
Banks			
Federal Bank	0-90 days	76,52,496	41,48,482

9b According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.

9c According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has applied term loans for the purpose for which it was obtained.

9d According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

9e According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable to the Company.

- 9f According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable to the Company.
- 10a The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- 10b According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable to the Company.
- 11a Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- 11b According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- 11c We have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of our audit procedures.
- 12 According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable to the Company.
- 13 In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Sections 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable Indian Accounting Standards.
- 14a Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- 14b We have considered the internal audit reports of the Company issued till date for the period under audit.
- 15 In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- 16a The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable to the Company.
- 16b The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable to the Company.
- 16c The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable to the Company.

- 16d According to the information and explanations provided to us during the course of audit, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) does have one CIC. However, the CIC of the group does not satisfy the definition of Core Investment Company in all respects and is in the process of satisfying the same.
- 17 According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has incurred cash losses in the current amounting to ₹ 1300.13 lakhs but has not incurred any cash losses in the immediately preceding financial year.
- 18 There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable to the Company.
- 19 According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20 In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable to the Company.

Annexure B to the Independent Auditors' Report on the standalone financial statements of Artemis Electricals and Projects Limited (Formerly known as Artemis Electricals Limited) for the year ended 31 March 2022

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Disclaimer of Opinion

We have audited the internal financial controls with reference to the standalone financial statements of **Artemis Electricals and Projects Limited** (Formerly known as Artemis Electricals Limited) ('the Company') as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company as at and for the year ended on that date.

The information and explanations provided by the management on system of Internal Financial Controls over financial reporting were not complete to enable us to determine if the Company has established adequate Internal Financial Controls over financial reporting and whether such Internal Financial Controls were operating effectively as at 31 March 2022.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company for the year ended 31 March 2022, and the disclaimer does not affect our opinion on the financial statements of the Company.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to the standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the standalone financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the

auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the standalone financial statements.

Meaning of Internal Financial Controls with Reference to the Standalone financial statements

A company's internal financial control with reference to the standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with Reference to the Standalone financial statements

Because of the inherent limitations of internal financial controls with reference to the standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to the standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Standalone Financial Statements

1 Company information

The Artemis Electricals Limited (Formerly known as Artemis Electricals Limited) ("the Company") is a stock exchange listed public company domiciled in India and incorporated under the provisions of Companies Act 1956. The company is engaged in the activities of manufacturing of LED lights and work contracts.

The separate financial statements (hereinafter referred to as "Financial Statements") of the Company for the year ended 31 March 2022 were approved and authorised for issue by the Board of Directors at their meeting held on 30 May 2022.

2 Significant accounting policies

(a) Basis of preparation

The financial Statements have been prepared to comply in all material respects with the Indian Accounting Standards notified under Section 133 of Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards (Ind AS) Rules, 2015 and other relevant provisions of the Act and rules framed thereunder.

The financial statements have been prepared under the historical cost convention and on accrual basis, except for certain financial assets and liabilities measured at fair value as explained in accounting policies below.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

The financial statements are presented in ₹ lakhs, except when otherwise indicated.

(b) Current and non-current classification

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

(c) Property, plant and equipment

- i) All property, plant and equipment are stated at original cost of acquisition/installation (net of input credits availed) less accumulated depreciation and impairment loss, if any, except freehold land which is carried at cost. Cost includes cost of acquisition, construction and installation, taxes, duties, freight and other incidental expenses that are directly attributable to bringing the asset to its working condition for the intended use and estimated cost for decommissioning of an asset.
- ii) Subsequent expenditure is capitalised only if it is probable that the future economic benefit associated with the expenditure will flow to the Company.
- iii) Property, plant and equipment is derecognised from financial statements, either on disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss in the period in which the property, plant and equipment is derecognised.
- iv) On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2018 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.
- v) Depreciation on property, plant and equipment is provided on written down value method based on the useful life specified in Schedule II of the Companies Act, 2013.

(d) Inventories

Inventories of raw materials and stores and spare parts are valued at the lower of weighted average cost and the net realisable value after providing for obsolescence and other losses, where considered necessary.

Work-in-progress and finished goods are valued at lower of cost and net realisable value where cost is worked out on weighted average basis. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges alongwith appropriate proportion of overheads and, where applicable, excise duty.

Net realizable value represents the estimated selling price for inventories less estimated costs of completion and costs necessary to make the sale.

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Standalone Financial Statements

(e) Fair value measurement

The Company's accounting policies and disclosures require the measurement of fair values for financial instruments. The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

(f) Financial instruments

I Financial assets

i) Classification

The Company classifies its financial assets either at Fair Value through Profit or Loss (FVTPL), Fair Value through Other Comprehensive Income (FVTOCI) or at amortised Cost, based on the Company's business model for managing the financial assets and their contractual cash flows.

ii) Initial recognition and measurement

The Company at initial recognition measures a financial asset at its fair value plus transaction costs that are directly attributable to its acquisition. However, transaction costs relating to financial assets designated at fair value through profit or loss (FVTPL) are expensed in the statement of profit and loss for the year.

iii) Subsequent measurement

For the purpose of subsequent measurement, the financial asset are classified in four categories:

- a) Debt instrument at amortised cost
- b) Debt instrument at fair value through other comprehensive Income
- c) Debt instrument at fair value through profit or loss
- d) Equity investments

Debt instruments

• Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on such instruments is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is calculated using the effective interest rate method and is included under the head "Finance income".

• Fair value through other comprehensive income (FVTOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVTOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the statement of profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to statement of profit and loss. Interest income from these financial assets is calculated using the effective interest rate method and is included under the head "Finance income".

• Fair value through profit or loss:

Assets that do not meet the criteria for amortised cost or fair value through other comprehensive income (FVTOCI) are measured at fair value through profit or loss. Gain and losses on fair value of such instruments are recognised in statement of profit and loss. Interest income from these financial assets is included in other income.

iv) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Standalone Financial Statements

v) De-recognition of financial assets

A financial asset is derecognised only when:

- The rights to receive cash flows from the financial asset have expired
- The Company has transferred substantially all the risks and rewards of the financial asset or
- The Company has neither transferred nor retained substantially all the risks and rewards of the financial asset, but has transferred control of the financial asset.

II Financial liabilities

i) Classification

The Company classifies all financial liabilities at amortised cost or fair value through profit or loss.

ii) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, deposits or as payables, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

iii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

a Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss.

b Loans, borrowings and deposits

After initial recognition, loans, borrowings and deposits are subsequently measured at amortised cost using the effective interest rate (EIR) method. Gains and losses are recognised in the statement of profit and loss when the liabilities are derecognised as well as through the EIR amortization process. The EIR amortisation is included in finance costs in the statement of profit and loss.

c Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short-term maturity of these instruments.

iv) De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(g) Cash and cash equivalents

- (i) Cash and cash equivalents in the balance sheet comprise cash at bank and on hand and short-term deposit with original maturity upto three months, which are subject to insignificant risk of changes in value.
- (ii) For the purpose of presentation in the statement of cash flows, cash and cash equivalents consists of cash and short-term deposit, as defined above, net of outstanding bank overdraft as they are considered as an integral part of Company's cash management.

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Standalone Financial Statements

(h) Revenue recognition

Revenue from contracts with customers are recognised when the control over the goods or services promised in the contract are transferred to the customer. The amount of revenue recognised depicts the transfer of promised goods and services to customers for an amount that reflects the consideration to which the Company is entitled to in exchange for the goods and services.

i) Sale of goods

The Company manufactures and markets flashlights and Solar lights. Revenue from sale of goods is recognised when control of the products has transferred, being when the products are despatched to the customers and the customer has full discretion over the channel and price to sell the products, and there is no unfulfilled obligation that could affect the customer's acceptance of the products. Revenue is recognised based on the price specified in the contract, net of the estimated discounts. Accumulated experience is used to estimate and provide for the discounts, using the expected value method, and revenue is only recognised to the extent that it is highly probable that a significant reversal will not occur. A contract liability is recognised for expected discounts payable to customers in relation to sales made until the end of the reporting period. A receivable is recognised when the goods are despatched as this is the point in time that the consideration is unconditional because only the passage of time is required before the payment is due.

ii) Interest income

Interest income on financial asset is accrued on a time proportion basis by reference to the principal amount outstanding and the applicable effective interest rate.

(i) Foreign currency transactions

- i) Foreign currency transactions are recorded in the reporting currency (Indian rupee) by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of the transaction.
- ii) All monetary items denominated in foreign currency are converted into Indian rupees at the year-end exchange rate. The exchange differences arising on such conversion and on settlement of the transactions are recognised in the statement of profit and loss. Non-monetary items in terms of historical cost denominated in a foreign currency are reported using the exchange rate prevailing on the date of the transaction.

(j) Income taxes

The income tax expenses comprises current and deferred tax. It is recognised in the statement of profit and loss except to the extent that it relates to items recognised directly in equity or in other comprehensive income.

Current tax:

The current tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Deferred tax:

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the amount used for taxation purposes.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised, such reductions are reversed when the probability of future taxable profits improves.

Unrecognised deferred tax assets are measured at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects at the reporting date to recover or settle the carrying amount of its assets and liabilities.

Minimum Alternate Tax (MAT) credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Standalone Financial Statements

(k) Employee benefits

(i) Short-term benefits

Short-term employee benefits are recognized as an expense at the undiscounted amount in the statement of profit and loss for the year in which the related services are rendered.

(ii) Defined contribution plans

Payments to defined contribution retirement benefit schemes are charged to the statement of profit and loss of the year when the contribution to the respective funds are due. There are no other obligations other than the contribution payable to the fund.

(iii) Defined benefit plans

Defined benefits plans is recognized as an expense in the statement of profit and loss for the year in which the employee has rendered services. The expense is recognized at the present value of the amount payable determined using actuarial valuation techniques.

Re-measurement of the net defined benefit liability, which comprises of actuarial gains and losses, are recognised in other comprehensive income in the period in which they occur.

(iv) Other long-term employee benefits

Other long-term benefits are recognised as an expense in the statement of profit and loss at the present value of the amounts payable determined using actuarial valuation techniques in the year in which the employee renders services. Re-measurements are recognised in the statement of profit and loss in the period in which they arise.

(l) Impairment of non-financial assets

The carrying amounts of non financial assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An asset is treated as impaired when the carrying amount exceeds its recoverable value. The recoverable amount is the greater of an asset's or cash generating unit's, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to the present value using a pre-tax discount rate that reflects current market assessment of the time value of money and risks specific to the assets. An impairment loss is charged to the statement of profit and loss in the year in which an asset is identified as impaired. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. The impairment loss recognized in prior accounting periods is reversed by crediting the statement of profit and loss if there has been a change in the estimate of recoverable amount.

(m) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares except when the results would be anti-dilutive.

(n) Provisions, contingent liabilities and contingent assets

i) Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

Provisions (excluding retirement benefits) are discounted using pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

ii) A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

iii) Contingent assets are not recognized, but disclosed in the financial statements where an inflow of economic benefit is probable.

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Standalone Financial Statements

(o) Warranties

Provisions for service warranties and returns are recognised when the Company has a present or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably measured.

(p) Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the Company incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

(q) Leases

The Company has adopted Ind AS 116-Leases effective 1 April 2019, using the modified retrospective method. The Company has applied the standard to its leases with the cumulative impact recognised on the date of initial application (1 April 2019). Accordingly, previous period information has not been restated.

The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight line basis over the term of the lease.

3 A Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Estimates and judgements are continuously evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. Revisions to accounting estimates are recognised in the period in which the estimate is revised.

a) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using appropriate valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

b) Taxes

The Company periodically assesses its liabilities and contingencies related to income taxes for all years open to scrutiny based on latest information available. For matters where it is probable that an adjustment will be made, the Company records its best estimates of the tax liability in the current tax provision. The Management believes that they have adequately provided for the probable outcome of these matters.

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits.

c) Recognition and measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and attrition rate. The discount rate is determined by reference to market yields at the end of the reporting period on government securities.

Note - 36 Financial risk management objectives and policies

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include trade and other receivables, cash and cash equivalents, other bank balances and refundable deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks.

Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- (i) Market risk
- (ii) Credit risk and
- (iii) Liquidity risk

i. Market risk

Market risk arises from the Company's use of interest bearing financial instruments. It is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rates (interest rate risk) or other market factors. Financial instruments affected by market risk include borrowings, fixed deposits and refundable deposits.

a Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is not exposed to the risk of changes in market interest rates as the funds borrowed by the Company is at fixed interest rate.

b Foreign currency risk

Currency risk is not material, as the Company's primary business activities are within India and does not have significant exposure in foreign currency.

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Standalone Financial Statements

(₹ in Lakhs)

ii. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities including security deposits, loans to employees and other financial instruments.

a) Trade receivables

The Company extends credit to customers in the normal course of business. The Company considers factors such as financial conditions / market practices, credit track record in the market, analysis of historical bad debts and past dealings for extension of credit to customers. Individual credit limits are set accordingly. The Company monitors the payment track record of the customers and ageing of receivables. Outstanding customer receivables are regularly monitored. The Company considers the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

Ageing of trade receivables are as follows

Particulars	As at 31 March 2022	As at 31 March 2021
Less than 6 months	3,564.09	803.29
6 Months - 1 Year	190.51	2,788.18
1 Year - 2 Years	1,385.93	1,362.19
2 Years - 3 Years	126.09	3.35
More than 3 Years	106.56	97.01
Total	5,373.18	5,054.02

The following table summarizes the change in the allowances for bad and doubtful debts:

	Year ended 31 March 2022	Year ended 31 March 2021
As at beginning of the year	199.89	145.71
Add/(less):		
Provided during the year	40.53	54.18
Amounts written off	-	-
Reversals of provision	-	-
As at end of the year	240.42	199.89

The Company uses provision matrix whereby trade receivables are considered doubtful based on past trends where such receivables are outstanding for more than one year other than related parties.

b) Financial Instrument and cash deposits

With respect to credit risk arising from the other financial assets of the Company, which comprise bank balances, cash, other receivables and deposits, the Company's exposure to credit risk arises from default of the counterparty, with a maximum exposure equal to the carrying amount of these assets.

Credit risk from balances with banks is managed by Company's treasury in accordance with the Company's policy. The Company limits its exposure to credit risk by only placing balances with local banks. Given the profile of its bankers, management does not expect any counterparty to fail in meeting its obligations.

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Standalone Financial Statements

(₹ in Lakhs)

iii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company monitors its risk to a shortage of funds using a recurring liquidity planning tool. This tool considers the maturity of both its financial investments and financial assets (e.g. trade receivables, other financial assets) and projected cash flows from operations.

The cash flows, funding requirements and liquidity of Company is monitored under the control of Treasury team. The objective is to optimize the efficiency and effectiveness of the management of the Company's capital resources. The Company's objective is to maintain a balance between continuity of funding and borrowings. The Company manages liquidity risk by maintaining adequate reserves and borrowing facilities, by continuously monitoring forecasted and actual cash flows and matching the maturity profiles of financial assets and liabilities.

The Company currently has sufficient cash on demand to meet expected operational expenses, including the servicing of financial obligations.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

	Contractual cash flows				Total
	Less than 1 year	1 to 3 years	3 to 5 years	> 5 years	
Year ended					
31 March 2022					
Borrowings	369.76	2,488.63	153.05	9.36	3,020.80
Trade payables	2,103.55	-	-	-	2,103.55
Other financial liabilities	104.26	-	-	-	104.26
	2,577.56	2,488.63	153.05	9.36	5,228.61
Year ended					
31 March 2021					
Borrowings	382.81	229.58	153.05	93.53	858.97
Trade payables	1,499.41	-	-	-	1,499.41
Other financial liabilities	68.84	-	-	-	68.84
	1,951.06	229.58	153.05	93.53	2,427.21

Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholders' value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by

	As at 31 March 2022	As at 31 March 2021
Borrowings (long-term and short-term)	3,020.80	858.97
Less: Cash and cash equivalents	(2.35)	(2.24)
Net debt	3,018.44	856.72
Equity share capital	2,510.37	2,510.37
Other equity	4,453.73	5,607.90
Total Equity	6,964.10	8,118.27
Total Capital and net debt	9,982.54	8,974.99
Gearing ratio	30.24%	9.55%

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2022 and 31 March 2021.

Note - 39 Fair value measurement

The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

(a) Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments.

(b) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.

a) Financial instruments by category

	Refer note	As at 31 March 2022		As at 31 March 2021	
		FVTPL	Amortised cost	FVTPL	Amortised cost
Financial assets					
Non-current					
Investments		-	320.00	-	-
Other financial assets	5	-	101.29	-	101.29
Current					
Trade receivables	9	-	5,373.18	-	5,054.02
Cash and cash equivalents	10	-	2.35	-	2.24
Other bank balances	11	-	1.23	-	1.30
Other financial assets	12	-	46.94	-	22.40

Borrowings	15	-	2,651.04	-	476.15
Current					
Borrowings	17	-	369.76	-	382.81
Trade payables	18	-	2,103.55	-	1,499.41
Other financial liabilities	19	-	104.26	-	68.84
Total financial liabilities		-	5,228.61	-	2,427.21

b) Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

The following tables provides the fair value measurement hierarchy of the Company's assets and liabilities:

As at 31 March 2022	Carrying	Fair value		
		Level 1	Level 2	Level 3
Financial assets measured at FVTPL				
Loans	-	-	-	-
Total	-	-	-	-

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Standalone Financial Statements

(₹ in Lakhs)

44 No transactions to report against the following disclosure requirements as notified by MCA pursuant to amended Schedule III:

- i Crypto Currency or Virtual Currency
- ii Benami Property held under Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder
- iii Registration of charges or satisfaction with Registrar of Companies
- iv Relating to borrowed funds:
 - a) Wilful defaulter
 - b) Utilisation of borrowed funds & share premium
 - c) Discrepancy in utilisation of borrowings

Note - 45 Particulars of Loans, Guarantees or Investments covered under Section 186(4) of the Companies Act, 2013

There are no loans granted, guarantees given and investments made by the Company under Section 186 of the Companies Act, 2013 read with rules framed thereunder except as stated under note 5 to the financial statement.

Note - 46

The business has been severely impacted during the year on account of COVID-19. The Company witnessed softer revenues due to the lockdown imposed and other prevalent restrictions. With the unlocking of restrictions, most of the business activity was put on hold. Whilst there has been a second wave of the COVID-19 pandemic in the last few months in some States, there has also been increased vaccination drive by the Government and the Company continues to closely monitor the situation.

The Company has also assessed the possible impact of COVID-19 in preparation of the financial results, including but not limited to its assessment of liquidity and going concern assumption, recoverable values of its financial and non-financial assets and impact on revenues and costs. Following resumption of business pursuant to the relaxation of the covid related restrictions the company shall increase the pace and intensity of its efforts to recover its receivables in near future. The Company has considered internal and external sources of information and has performed sensitivity analysis on the assumptions used and based on current estimates, expects to recover the carrying amount of these assets. The impact of Covid-19 may be different from that estimated as at the date of approval of these financial results and the Company will continue to closely monitor any material changes to future economic conditions.

The Company has adequate funds at its disposal and the Management is confident of securing additional financing, as and if required for the next 12 months to enable the Company to meet its debts and obligations as they fall due. Accordingly, the financial results of the Company have been prepared on a going concern basis.

Note - 47

In the opinion of the Board, the Current Assets, Loans and Advances are approximately of the value stated as realizable in the ordinary course of business and the provision for all known liabilities are adequate.

Note - 48

Debit and Credit balances are subject to confirmation and reconciliation if any.

Note - 49

Previous year figures have been regrouped / reclassified, wherever necessary, to correspond with current year classification.

Independent Auditor's Report to the Members of Artemis Electricals and Projects Limited (Formerly known as Artemis Electricals Limited)

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Artemis Electricals and Projects Limited** (Formerly known as Artemis Electricals Limited) (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as the "Group") which comprise the Consolidated Balance Sheet as at 31 March 2022, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2022, and their consolidated loss, their consolidated total comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

- a) We draw attention to note - 46 to the consolidated financial statements, regarding the management's assessment of the Impact of COVID-19 on its business including but not limited to liquidity and going concern assumptions, recoverable values of its financial and non-financial assets and its increased efforts for their recovery and impact on revenues and costs for the year ended 31 March 2022 and based on its internal and external sources of information, sensitivity analysis of the assumptions used and its current estimates, the company expectation to recover its carrying amount of the aforesaid assets. Further we draw attention to the fact that during the year ended 31 March 2022, manufacturing activity at the factory premises of the Company were closed but other existing projects were going on.
- b) Attention is drawn to the fact that we have not participated in physical verification of inventories of raw material, finished goods, work in progress goods and stock in trade. We have relied on physical verification certificate issued by management as well as certificate of the valuation of finished goods and work in progress for both the years included in the consolidated financial statements.

- c) We draw attention to note - 41 to the consolidated financial statements, disclosure under Ind AS 108 - 'Operating Segments' could not be provided as sufficient information relating to the same was not available with the management. Further the Company conducts its business in only one Geographical Segment, viz., India.
- d) Attention is drawn to the fact that the Company has communicated to the suppliers related to categorisation of MSME parties, on the basis of the information available with the Company, the Company has classified outstanding dues of Micro and Small enterprise and outstanding dues of creditors other than Micro and Small Enterprises. Further the Company has not provided the interest on the same as reconciliation and settlement was pending with the parties. Adjustments required upon such reconciliation and confirmation, if any, are not ascertainable and hence interest has not been provided for.
- e) Attention is drawn to the note 4.1 to the consolidated financial statements, The Company has entered into a contract for supply and commissioning a Lithium-ion battery plant at its factory situated at Artemis Complex, Gala no. 105 & 108, National Express Highway, Vasai (East), Thane - 401 208 with its related party "Electroforce (India) Private Limited ("EIPL)". Approval for such transaction has already been obtained from the shareholders of the Company in its annual general meeting held on 24 September 2021. The company has already made some adhoc payments against contract to EIPL as on 31 March 2022 which is reflecting in Capital work in progress and other non-current assets as Capital advances.

The management envisages commissioning of the lithium-ion plant by March 2023.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter	How our audit addressed the key audit matter
Revenue recognition as per Ind AS 115		
1	<p>Revenue is recognized at an amount that reflects the consideration to which the Company expects to be entitled in exchange for transferring goods to a customer. The revenue recognition occurs at a point in time when the control of the goods is transferred to the customer.</p> <p>We focused on this area as a key audit matter due to the amount of Revenue being regarded by Management as a key performance indicator in assessing performance. We believe there exists a risk of revenue being recognized before the control is transferred, including risk of incorrect timing of estimation related to recording the discounts and rebates.</p>	<p>As part of our audit procedures, we:</p> <ul style="list-style-type: none"> • Read the Company's accounting policy for revenue recognition and assessed compliance with the requirements of Ind AS 115. • Evaluated the design, tested the implementation and operating effectiveness of the Company's internal controls including general IT controls and key IT application controls over recognition of revenue and measurement of rebates, discounts and returns. • On a sample basis, tested supporting documentation for sales transactions and rebates/discounts recorded during the year which included sales invoices, customer contracts, shipping documents

	Refer Note 23 to the consolidated financial statements.	<p>and customer correspondences for rebates/discounts.</p> <ul style="list-style-type: none"> • Tested revenue samples focused on sales recorded immediately before the year-end, obtained evidence as regards timing of revenue recognition, based on terms and conditions of sales contracts and delivery documents. • Compared current year sales, discounts and rebates with historical trends. • Assessed disclosures in financial statements in respect of revenue, as specified in Ind AS 115.
--	---	--

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the consolidated financial statements, consolidated financial statements and our auditors' report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Holding Company's annual report, if, we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Responsibilities of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including consolidated other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Boards of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of each Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are responsible for overseeing the financial reporting process of each Company.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other Companies included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/"CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Holding Company and its subsidiary included in the consolidated financial statements of the Holding Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.
2. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - (b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books;
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes on Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act;
 - (e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2022 taken on record by the Board of Directors of the Holding Company and on the basis of written representations received by the management from directors of its subsidiary which is incorporated in India, as on 31 March 2022, none of the directors of the Group companies incorporated in India is disqualified as on 31 March 2022 from being appointed as a director in terms of Section 164(2) of the Act; and

- (f) With respect to the adequacy of the internal financial controls with reference to the consolidated financial statements of the Holding Company and its subsidiary incorporated in India and the operating effectiveness of such controls, refer to our separate report in “Annexure A”.
3. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The consolidated financial statements disclose the impact of pending litigations as at 31 March 2022 on the consolidated financial position of the Group - Refer note 34 to the consolidated financial statements.
 - b. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary company incorporated in India during the year ended 31 March 2022.
 - d. (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company and its subsidiary company incorporated in India to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Holding Company and its subsidiary company incorporated in India or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - (ii) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Holding Company and its subsidiary company incorporated in India from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Holding Company and its subsidiary company incorporated in India shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
 - (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (d) (i) and (d) (ii) contain any material mis-statement.
 - e. The Holding Company and its subsidiary company incorporated in India have not declared or paid any dividend during the year.

4. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Holding Company and its subsidiary company which are incorporated in India to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Holding Company and its subsidiary company incorporated in India, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Annexure A to the Independent Auditors' Report on the consolidated financial statements of Artemis Electricals and Projects Limited (Formerly known as Artemis Electricals Limited) for the year ended 31 March 2022

Report on the Internal Financial Controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Disclaimer of Opinion

In conjunction with our audit of the consolidated financial statements of **Artemis Electricals and Projects Limited** (Formerly known as Artemis Electricals Limited) (hereinafter referred to as "the Holding Company") as of and for the year ended 31 March 2022, we have audited the internal financial controls with reference to the consolidated financial statements of the Holding Company and such companies incorporated in India under the Companies Act, 2013 which are its subsidiary company, as of that date.

The information and explanations provided by the management on system of Internal Financial Controls over financial reporting were not complete to enable us to determine if the Company has established adequate Internal Financial Controls over financial reporting and whether such Internal Financial Controls were operating effectively as at 31 March 2022.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company for the year ended 31 March 2022, and the disclaimer does not affect our opinion on the financial statements of the Company.

Management's Responsibility for Internal Financial Controls

The respective Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to

consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls with Reference to the Consolidated Financial Statements

A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with Reference to the Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to the consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to the consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Consolidated Financial Statements

1 Company information

The Artemis Electricals Limited (Formerly known as Artemis Electricals Limited) ("the Company") is a stock exchange listed public company domiciled in India and incorporated under the provisions of Companies Act 1956. The company is engaged in the activities of manufacturing of LED lights and work contracts.

The Consolidated financial statements (hereinafter referred to as "Financial Statements") of the Company for the year ended 31 March 2022 were approved and authorised for issue by the Board of Directors at their meeting held on 30 May 2022.

2 Significant accounting policies

(a) Basis of preparation

The Consolidated Financial Statements have been prepared on the historical cost basis except for the following assets and liabilities which have been measured at fair value:

- i. Certain financial assets and liabilities (including derivative instruments),
- ii. Defined Benefit Plan's – Plan Assets and
- iii. Equity settled Share Based Payments

The Consolidated Financial Statements of the Group have been prepared to comply with the Indian Accounting Standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013, amended from time to time.

The Consolidated Financial Statements comprises of PKH Ventures Limited and all its subsidiaries, being the entities that it controls. Control is assessed in accordance with the requirement of Ind AS 110 – Consolidated Financial Statements.

The Consolidated Financial Statements are presented in ₹ lakhs, except when otherwise indicated.

Principles of Consolidation

- a) The financial statements of the Holding Group and its subsidiaries are combined on a line-by-line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intragroup transactions.
- b) Profits or losses resulting from intra-group transactions that are recognised in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full.
- c) The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.
- d) The carrying amount of the parent's investment in each subsidiary is offset (eliminated) against the parent's portion of equity in each subsidiary.
- e) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognised in the Consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary.
- f) Investment in Associates and Joint Ventures has been accounted under the Equity Method as per Ind AS 28 – Investments in Associates and Joint Ventures. Investments in joint operations are accounted using the Proportionate Consolidation Method as per Ind AS 111 – Joint Arrangements.
- g) The Group accounts for its share of postacquisition changes in net assets of associates and joint ventures, after eliminating unrealised profits and losses resulting from transactions between the Group and its associates and joint ventures.
- h) Non-Controlling Interest's share of profit/loss of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Group.
- i) Non-Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet.

The list of subsidiary companies, joint ventures and associates which are included in the consolidation and the Group's holdings

Sr. No.	Name of the Group	Nature	Extent of Control	Country of Incorporation
			As on 31 March 2022	
1	Artemis Opto Electronic Technologies Private Limited	Subsidiary	99.99%	India

(b) Current and non-current classification

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Consolidated Financial Statements

(c) Property, plant and equipment

- i) All property, plant and equipment are stated at original cost of acquisition/installation (net of input credits availed) less accumulated depreciation and impairment loss, if any, except freehold land which is carried at cost. Cost includes cost of acquisition, construction and installation, taxes, duties, freight and other incidental expenses that are directly attributable to bringing the asset to its working condition for the intended use and estimated cost for decommissioning of an asset.
- ii) Subsequent expenditure is capitalised only if it is probable that the future economic benefit associated with the expenditure will flow to the Company.
- iii) Property, plant and equipment is derecognised from financial statements, either on disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss in the period in which the property, plant and equipment is derecognised.
- iv) On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2018 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.
- v) Depreciation on property, plant and equipment is provided on written down value method based on the useful life specified in Schedule II of the Companies Act, 2013.

(d) Inventories

Inventories of raw materials and stores and spare parts are valued at the lower of weighted average cost and the net realisable value after providing for obsolescence and other losses, where considered necessary.

Work-in-progress and finished goods are valued at lower of cost and net realisable value where cost is worked out on weighted average basis. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges alongwith appropriate proportion of overheads and, where applicable, excise duty.

Net realizable value represents the estimated selling price for inventories less estimated costs of completion and costs necessary to make the sale.

(e) Fair value measurement

The Company's accounting policies and disclosures require the measurement of fair values for financial instruments.

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

(f) Financial instruments

I Financial assets

i) Classification

The Company classifies its financial assets either at Fair Value through Profit or Loss (FVTPL), Fair Value through Other Comprehensive Income (FVTOCI) or at amortised Cost, based on the Company's business model for managing the financial assets and their contractual cash flows.

ii) Initial recognition and measurement

The Company at initial recognition measures a financial asset at its fair value plus transaction costs that are directly attributable to its acquisition. However, transaction costs relating to financial assets designated at fair value through profit or loss (FVTPL) are expensed in the statement of profit and loss for the year.

iii) Subsequent measurement

For the purpose of subsequent measurement, the financial asset are classified in four categories:

- a) Debt instrument at amortised cost
- b) Debt instrument at fair value through other comprehensive Income
- c) Debt instrument at fair value through profit or loss
- d) Equity investments

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Consolidated Financial Statements

Debt instruments

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on such instruments is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is calculated using the effective interest rate method and is included under the head "Finance income".

• **Fair value through other comprehensive income (FVTOCI):**

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVTOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the statement of profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to statement of profit and loss. Interest income from these financial assets is calculated using the effective interest rate method and is included under the head "Finance income".

• **Fair value through profit or loss:**

Assets that do not meet the criteria for amortised cost or fair value through other comprehensive income (FVTOCI) are measured at fair value through profit or loss. Gain and losses on fair value of such instruments are recognised in statement of profit and loss. Interest income from these financial assets is included in other income.

iv) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

v) De-recognition of financial assets

A financial asset is derecognised only when:

- The rights to receive cash flows from the financial asset have expired
- The Company has transferred substantially all the risks and rewards of the financial asset or
- The Company has neither transferred nor retained substantially all the risks and rewards of the financial asset, but has

II Financial liabilities

i) Classification

The Company classifies all financial liabilities at amortised cost or fair value through profit or loss.

ii) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, deposits or as payables, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

iii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

a Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss.

b Loans, borrowings and deposits

After initial recognition, loans, borrowings and deposits are subsequently measured at amortised cost using the effective interest rate (EIR) method. Gains and losses are recognised in the statement of profit and loss when the liabilities are derecognised as well as through the EIR amortization process. The EIR amortisation is included in finance costs in the statement of profit and loss.

c Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short-term maturity of these instruments.

iv) De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Consolidated Financial Statements

(g) Cash and cash equivalents

- (i) Cash and cash equivalents in the balance sheet comprise cash at bank and on hand and short-term deposit with original maturity upto three months, which are subject to insignificant risk of changes in value.
- (ii) For the purpose of presentation in the statement of cash flows, cash and cash equivalents consists of cash and short-term deposit, as defined above, net of outstanding bank overdraft as they are considered as an integral part of Company's cash management.

(h) Revenue recognition

Revenue from contracts with customers are recognised when the control over the goods or services promised in the contract are transferred to the customer. The amount of revenue recognised depicts the transfer of promised goods and services to customers for an amount that reflects the consideration to which the Company is entitled to in exchange for the goods and services.

i) Sale of goods

The Company manufactures and markets flashlights and Solar lights. Revenue from sale of goods is recognised when control of the products has transferred, being when the products are despatched to the customers and the customer has full discretion over the channel and price to sell the products, and there is no unfulfilled obligation that could affect the customer's acceptance of the products. Revenue is recognised based on the price specified in the contract, net of the estimated discounts. Accumulated experience is used to estimate and provide for the discounts, using the expected value method, and revenue is only recognised to the extent that it is highly probable that a significant reversal will not occur. A contract liability is recognised for expected discounts payable to customers in relation to sales made until the end of the reporting period. A receivable is recognised when the goods are despatched as this is the point in time that the consideration is unconditional because only the passage of time is required before the payment is due.

ii) Interest income

Interest income on financial asset is accrued on a time proportion basis by reference to the principal amount outstanding and the applicable effective interest rate.

(i) Foreign currency transactions

- i) Foreign currency transactions are recorded in the reporting currency (Indian rupee) by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of the transaction.
- ii) All monetary items denominated in foreign currency are converted into Indian rupees at the year-end exchange rate. The exchange differences arising on such conversion and on settlement of the transactions are recognised in the statement of profit and loss. Non-monetary items in terms of historical cost denominated in a foreign currency are reported using the exchange rate prevailing on the date of the transaction.

(i) Income taxes

The income tax expenses comprises current and deferred tax. It is recognised in the statement of profit and loss except to the extent that it relates to items recognised directly in equity or in other comprehensive income.

Current tax:

The current tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Deferred tax:

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the amount used for taxation purposes.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised, such reductions are reversed when the probability of future taxable profits improves.

Unrecognised deferred tax assets are measured at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects at the reporting date to recover or settle the carrying amount of its assets and liabilities.

Minimum Alternate Tax (MAT) credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Consolidated Financial Statements

(k) Employee benefits

(i) Short-term benefits

Short-term employee benefits are recognized as an expense at the undiscounted amount in the statement of profit and loss for the year in which the related services are rendered.

(ii) Defined contribution plans

Payments to defined contribution retirement benefit schemes are charged to the statement of profit and loss of the year when the contribution to the respective funds are due. There are no other obligations other than the contribution payable to the fund.

(iii) Defined benefit plans

Defined benefits plans is recognized as an expense in the statement of profit and loss for the year in which the employee has rendered services. The expense is recognized at the present value of the amount payable determined using actuarial valuation techniques.

Re-measurement of the net defined benefit liability, which comprises of actuarial gains and losses, are recognised in other comprehensive income in the period in which they occur.

(iv) Other long-term employee benefits

Other long-term benefits are recognised as an expense in the statement of profit and loss at the present value of the amounts payable determined using actuarial valuation techniques in the year in which the employee renders services. Re-measurements are recognised in the statement of profit and loss in the period in which they arise.

(l) Impairment of non-financial assets

The carrying amounts of non financial assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An asset is treated as impaired when the carrying amount exceeds its recoverable value. The recoverable amount is the greater of an asset's or cash generating unit's, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to the present value using a pre-tax discount rate that reflects current market assessment of the time value of money and risks specific to the assets. An impairment loss is charged to the statement of profit and loss in the year in which an asset is identified as impaired. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. The impairment loss recognized in prior accounting periods is reversed by crediting the statement of profit and loss if there has been a change in the estimate of recoverable amount.

(m) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares except when the results would be anti-dilutive.

(n) Provisions, contingent liabilities and contingent assets

i) Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

Provisions (excluding retirement benefits) are discounted using pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

ii) A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

iii) Contingent assets are not recognized, but disclosed in the financial statements where an inflow of economic benefit is probable.

(o) Warranties

Provisions for service warranties and returns are recognised when the Company has a present or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably measured.

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Consolidated Financial Statements

(p) Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the Company incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

(q) Leases

The Company has adopted Ind AS 116-Leases effective 1 April 2019, using the modified retrospective method. The Company has applied the standard to its leases with the cumulative impact recognised on the date of initial application (1 April 2019). Accordingly, previous period information has not been restated.

The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight line basis over the term of the lease.

3 A Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Estimates and judgements are continuously evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. Revisions to accounting estimates are recognised in the period in which the estimate is revised.

a) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using appropriate valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

b) Taxes

The Company periodically assesses its liabilities and contingencies related to income taxes for all years open to scrutiny based on latest information available. For matters where it is probable that an adjustment will be made, the Company records its best estimates of the tax liability in the current tax provision. The Management believes that they have adequately provided for the probable outcome of these matters.

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits.

c) Recognition and measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and attrition rate. The discount rate is determined by reference to market yields at the end of the reporting period on government securities.

Note - 36 Financial risk management objectives and policies

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include trade and other receivables, cash and cash equivalents, other bank balances and refundable deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks.

Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- (i) Market risk
- (ii) Credit risk and
- (iii) Liquidity risk

i. Market risk

Market risk arises from the Company's use of interest bearing financial instruments. It is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rates (interest rate risk) or other market factors. Financial instruments affected by market risk include borrowings, fixed deposits and refundable deposits.

a Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is not exposed to the risk of changes in market interest rates as the funds borrowed by the Company is at fixed interest rate.

b Foreign currency risk

Currency risk is not material, as the Company's primary business activities are within India and does not have significant exposure in foreign currency.

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Consolidated Financial Statements

(₹ in Lakhs)

ii. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities including security deposits, loans to employees and other financial instruments.

a) Trade receivables

The Company extends credit to customers in the normal course of business. The Company considers factors such as financial conditions / market practices, credit track record in the market, analysis of historical bad debts and past dealings for extension of credit to customers. Individual credit limits are set accordingly. The Company monitors the payment track record of the customers and ageing of receivables. Outstanding customer receivables are regularly monitored. The Company considers the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

Ageing of trade receivables are as follows

Particulars	As at 31 March 2022
0-90 days	1,495.06
91-180 days	2,069.21
181-270 days	-
271-365 days	207.34
More than 365 days	1,842.00
Total	5,613.60

The following table summarizes the change in the allowances for bad and doubtful debts:

	As at 31 March 2022
As at beginning of the year	199.89
Add/(less):	
Provided during the year	40.53
Amounts written off	-
Reversals of provision	-
As at end of the year	240.42

The Company uses provision matrix whereby trade receivables are considered doubtful based on past trends where such receivables are outstandings for more than one year other than related parties.

b) Financial Instrument and cash deposits

With respect to credit risk arising from the other financial assets of the Company, which comprise bank balances, cash, other receivables and deposits, the Company's exposure to credit risk arises from default of the counterparty, with a maximum exposure equal to the carrying amount of these assets.

Credit risk from balances with banks is managed by Company's treasury in accordance with the Company's policy. The Company limits its exposure to credit risk by only placing balances with local banks. Given the profile of its bankers, management does not expect any counterparty to fail in meeting its obligations.

Artemis Electricals and Projects Limited
(Formerly known as Artemis Electricals Limited)

Notes forming part of the Consolidated Financial Statements

(₹ in Lakhs)

iii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company monitors its risk to a shortage of funds using a recurring liquidity planning tool. This tool considers the maturity of both its financial investments and financial assets (e.g. trade receivables, other financial assets) and projected cash flows from operations.

The cash flows, funding requirements and liquidity of Company is monitored under the control of Treasury team. The objective is to optimize the efficiency and effectiveness of the management of the Company's capital resources. The Company's objective is to maintain a balance between continuity of funding and borrowings. The Company manages liquidity risk by maintaining adequate reserves and borrowing facilities, by continuously monitoring forecasted and actual cash flows and matching the maturity profiles of financial assets and liabilities.

The Company currently has sufficient cash on demand to meet expected operational expenses, including the servicing of financial obligations.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

	Contractual cash flows				Total
	Less than 1 year	1 to 3 years	3 to 5 years	> 5 years	
Year ended					
31 March 2022					
Borrowings	369.76	2,488.63	153.05	9.36	3,020.80
Trade payables	2,103.55	-	-	-	2,103.55
Other financial liabilities	104.26	-	-	-	104.26
	2,577.56	2,488.63	153.05	9.36	5,228.61

Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholders' value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by

	As at
	31 March 2022
Borrowings (long-term and short-term)	3,020.80
Less: Cash and cash equivalents	(3.22)
Net debt	3,017.58
Equity share capital	2,510.37
Other equity	4,422.73
Total Equity	6,933.10
Total Capital and net debt	9,950.68
Gearing ratio	30.33%

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2022.

Note - 39 Fair value measurement

The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

(a) Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments.

(b) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.

a) Financial instruments by category

	Refer note	As at 31 March 2022	
		FVTPL	Amortised cost
Financial assets			
Non-current			
Loans	6	-	101.89
Current			
Trade receivables	10	-	5,373.18
Cash and cash equivalents	11	-	3.22
Other bank balances	12	-	1.23
Other financial assets	13	-	46.94
Total financial assets		-	5,526.45
Financial liabilities			
Non-current			
Borrowings	17	-	2,651.04
Current			
Borrowings	18	-	369.76
Trade payables	19	-	2,103.55
Other financial liabilities	20	-	104.26
Total financial liabilities		-	5,228.61

b) Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

The following tables provides the fair value measurement hierarchy of the Company's assets and liabilities:

As at 31 March 2022	Carrying	Fair value		
		Level 1	Level 2	Level 3
Financial assets measured at FVTPL				
Loans	-	-	-	-
Total	-	-	-	-
Financial liabilities measured at FVTPL				
Borrowings	-	-	-	-
Total	-	-	-	-

a) The carrying amounts of trade receivables, cash and cash equivalents, bank balances other than cash and cash equivalents, current loans, other current financial assets, current borrowings, trade payables and Other financial liabilities.

 - c) Discrepancy in utilisation of borrowings

Note - 45 Particulars of Loans, Guarantees or Investments covered under Section 186(4) of the Companies Act,

There are no loans granted, guarantees given and investments made by the Company under Section 186 of the Companies Act, 2013 read with rules framed thereunder except as stated under note 5 to the financial statement.

Note - 46

The business has been severely impacted during the year on account of COVID-19. The Company witnessed softer revenues due to the lockdown imposed and other prevalent restrictions. With the unlocking of restrictions, most of the business activity was put on hold. Whilst there has been a second wave of the COVID-19 pandemic in the last few months in some States, there has also been increased vaccination drive by the Government and the Company continues to closely monitor the situation.

The Company has also assessed the possible impact of COVID-19 in preparation of the financial results, including but not limited to its assessment of liquidity and going concern assumption, recoverable values of its financial and non-financial assets and impact on revenues and costs. Following resumption of business pursuant to the relaxation of the covid related restrictions the company shall increase the pace and intensity of its efforts to recover its receivables in near future. The Company has considered internal and external sources of information and has performed sensitivity analysis on the assumptions used and based on current estimates, expects to recover the carrying amount of these assets. The impact of Covid-19 may be different from that estimated as at the date of approval of these financial results and the Company will continue to closely monitor any material changes to future economic conditions.

The Company has adequate funds at its disposal and the Management is confident of securing additional financing, as and if required for the next 12 months to enable the Company to meet its debts and obligations as they fall due. Accordingly, the financial results of the Company have been prepared on a going concern basis.

Note - 47

In the opinion of the Board, the Current Assets, Loans and Advances are approximately of the value stated as realizable in the ordinary course of business and the provision for all known liabilities are adequate.

Note - 48

Debit and Credit balances are subject to confirmation and reconciliation if any.

Note - 49

Previous year figures have been regrouped / reclassified, wherever necessary, to correspond with current year classification.
