Limited Review Report on the Standalone Unaudited Quarterly Financial Results of the Company Pursuant to Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as amended

Review Report to

The Board of Directors

Artemis Electricals and Projects Limited (Formerly known as Artemis Electricals Limited)

- 1) We have reviewed the accompanying statement of Standalone Unaudited Financial Results of **Artemis Electricals and Projects Limited** (Formerly known as Artemis Electricals Limited) (the "Company") for the period ended 30 June 2024 (the "Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 2) This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3) We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Emphasis of Matter

- 4) We draw attention to note - 3 to the consolidated financial result, disclosure under Ind AS 108 - 'Operating Segments' could not be provided as sufficient information relating to the same was not available with the management. Further the Company conducts its business in only one Geographical Segment, viz., India.
- 5) Attention is drawn to the note - 4 to the consolidated financial results, The company has entered into a contract to supply and commission a Lithium-ion battery plant at its factory situated at Artemis Complex, Gala No. 105 & 108, National Express Highway, Vasai (East), Thane- 401208

with its related party "Electroforce (India) Private Limited ("EIPL"). Approval for such transaction has already been obtained from the shareholders of the company in its annual general meeting held on 24 September 2021. The company has already made some adhoc payment of the contract value to EIPL till 30 June 2023 which is reflecting in Capital work in progress and other non-current assets as Capital advances. We are unable to verify the quotation from other vendors dealing in same line of business as the same was not available with the management.

The management envisages commissioning of lithium-ion plant by March 2025.

- 6) We draw attention to note – 5 to the consolidated financial result, regarding the manufacturing activities at the factory premises were closed / negligible. However the Management represented that the manufacturing activities have commenced at very minimal / negligible level as the management is focusing more on projects and project related works.
- 7) Attention is drawn to the fact that we have not participated in physical verification of inventories of raw material, finished goods, work in progress goods and stock in trade. We have relied on physical verification certificate issued by management as well as certificate of the valuation of finished goods and work in progress for both the years included in the standalone financial statements.
- 8) Attention is drawn to the fact that the Company has Purchase transactions with related parties amounting to ₹ 254.00 during the quarter ended 30 June 2024. We are unable to verify the quotation from other vendors dealing in same line of business as the same was not available with the management.
- 9) Attention is drawn to the fact that TDS liability u/s 194O for the month of April 2024 has been paid on 7th August 2024. In addition to this, TDS u/s 194C is not booked for the works contract charges incurred in the month of May 2024 in the name of M/s Gallic Electro Technologies Pvt. Ltd.
- 10) Attention is drawn to the fact that Director sitting fees is subject to GST liability payment under RCM @ 18% which to be paid at the time of filing of GSTR-3B i.e. on or before 20th day of the following month. However, GST on director sitting fees paid during Q1 was paid on 7th August 2024.
- 11) Attention is drawn to the fact that, ESIC dues are booked and not yet paid.
- 12) Attention is drawn to the fact that, provision for deferred tax for the period ended 30th June 2024 is yet to be made.

Our opinion is not modified in respect of these matters.

- 13) Based on our review conducted as above, nothing has come to our attention except for the above clause 4 to 12 that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read

with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
